Introduction!

Hi my name is Genesis A. Cartagena. My name means the beginning but most people know it from Sega Genesis the game console. It is funny how I love video games, Valorant , Fortnite or more. I live in Aguadilla and I'm in my third year of my bachelor's degree in English education. I am shy but I do speak a lot in my writing. I do have issues grammatically and I use a lot of auto correct to help me but I always love showing emotion on my pieces. I don't have alot to say of myself just know when I like a person I become really annoying.

In the Last year I was dating a guy and it was the worst so thankfully I have opened my eyes and changed alot.
